Remarks

Welcome to this adorable Cape Cod that perfectly blends comfort and style! This four-bedroom brick home features a bright and spacious living room, ideal for relaxing or entertaining. The inviting dining room comes complete with built-ins, adding character and practicality. Enjoy your morning coffee on the covered front porch, a delightful space to unwind. The home boasts generous closets throughout, ensuring ample storage for all your needs. The full finished basement, complete with a half bath and outside entrance, offers additional living space and versatility. Private and perfectly manicured backyard perfect for those summertime barbecues. Recent upgrades include economical gas utilities and replacement windows, enhancing both energy efficiency and comfort. Don't miss the chance to make this charming home yours!
